3.2 GENERAL DESCRIPTION OF THE ORGANISATION

Please describe the size, scope of work, areas of specific expertise and competence; expertise of the institution in the field covered by the project. (Limit: 20 lines)

Jarcom Doradztwo is a consulting company working for regional administrative department, private business and non profit organization. Primary goal of work is to support vocational school market in a international cooperation. During last years our employees was managing the biggest project Leonardo Mobility IVT 2007 at Poland : "Placement in a Mediterranean hotels and restaurants" for ST. Staszic Gastronomical and Economical School Complex at Otwock, Poland. This school is the grandest vocational school in Otwock District. Year by year we have average number of 900 students. Students age is 16 – 19. Actually they have 3 profiles of education: secondary vocational school, vocational school and technical college, 3 specialities of main vocational education: gastronomic, hotelier and economist. From 45 years we have educated 4500 students. In 2007-2008 we're realizing the biggest LdV mobility project at Poland: Placements in Mediterranean hotels and restaurants for 120 students. Based on experience in cooperation with this school partner will organize exchange in this school.

In summary: We organise the above programmes (Airport Transfer, Accommodation, exchange program on vocational schools at Poland, placements etc.) in Poland.
